MEMORANDUM FOR: [] CIA

SUBJECT : Phase-Out of Project OXCART

25X1A

REFERENCE : [] 5378-68, dated 24 July 1968;
same Subject

25X1A

With the phase down of the OXCART Program now approaching its first anniversary, it is believed that the current total of OXCART clearances within the Agency is unduly high. Therefore, it is requested that all [] initiate a debriefing program to bring the OXCART figure down to a realistic level. It is suggested that the criteria for not debriefing be that an individual has an essential contribution to make to the phase-out process. All other individuals should be debriefed. Debriefing oaths should be sent directly to Chief, Compartmented Information Branch, Room 3 E 47.
